

U94 Dual Channel 6-Pin PRC PTT

The U94 Dual Channel 6-Pin PRC Push-To-Talk (PTT) connects the Ops-Core® AMP Communication Headset or other communication headset with U174 connection to two individual 6-Pin PRC radio systems.

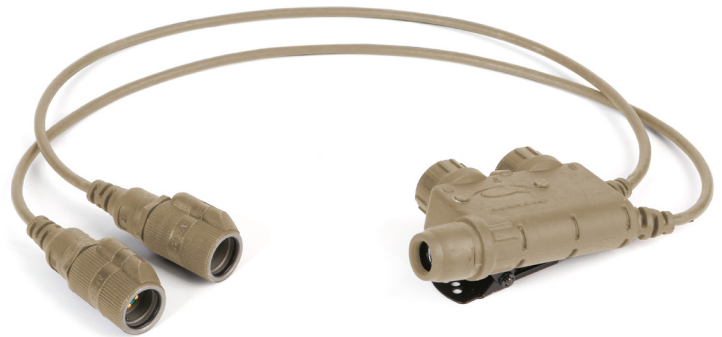

KEY FEATURES

- Rugged over-molded construction
- Recessed activator prevents accidental keying, while still accommodating gloved hand use
- Controls designed for positive feel
- Reversible alligator clip to accommodate inboard or outboard button orientation

Immersion*

1 Meter for 1 Hour
3 Meters for 30 Seconds

**Total system immersion capability dependent on headset and radio specifications*
